REPORT OF THE COUNTY COMMISSIONERS.

To the Citizens of Merrimack County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailer, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1915.

COUNTY FARM.

The County Farm at No. Boscawen continues in charge of Mr. and Mrs. Fred G. Evans as superintendent and matron. For the general satisfactory condition of affairs here, we desire to publicly express our appreciation to the superintendent and matron and other officers of the farm whose faithful efforts have made these conditions possible. The number of people cared for during the year has been somewhat larger than usual. This applies to both the Almshouse and House of Correction.

The buildings are all in excellent repair and unless something unusual shall occur, nothing will have to be done, outside the ordinary repairs, for some time to come. A complete new heating plant has been installed during the year. This became necessary from the fact that the old boilers were unsafe for further service. The work of remodeling the boiler house as well as much of the other necessary work on the plant was done by the men at the farm, thus saving quite an expense. The county now has a modern, up-to-date and economical heating system. A considerable amount of

work in the way of other improvements has also been done on the farm, including the taking up of quite a large tract of pasture land and so improving it that it has become suitable for tillage purposes. Several hundred feet of land tile has been laid as well as a large amount of bank wall near the buildings. Notwithstanding the unfavorable season, a large amount of produce was raised on the farm. This fact alone goes a long way toward keeping down the cost of maintenance. For an itemized statement of statistics regarding the number of people cared for during the year, products of the farm, etc., we would refer you to the report of the superintendent on another page.

COUNTY POOR AWAY FROM FARM.

Under this head is included all to whom relief was extended away from the farm, including the board and care of children in private homes and orphanages. To properly care and provide for the dependent children is a proposition which requires thorough investigation and sound judgment. The amount of aid rendered in this department for the year was \$33,054.22.

JAIL.

The management of the county jail remains in charge of High Sheriff Charles P. Smith, who has rendered most efficient service. For the number of commitments, etc., we would refer to the report of the jailor on another page.

FINANCES OF THE COUNTY.

During the year maturing bonds to the amount of \$6000 have been paid. This only leaves total bonds outstanding to the amount of \$6000, which will be paid at maturity in October next. The county will then for the first time in nearly all its history be free from any bonded indebtedness.

There are no outstanding notes and there were no unpaid bills in the hands of the commissioners on the 31st day of December, 1915. There was in cash in the hands of the treasurer on the 31st of December, to the amount of \$25,405.75, thus leaving at net cash surplus over all indebtedness of \$19,405.75.

The valuation of the county property is as follows:

We believe that all purchases have been made at reasonable prices and have been used for county purposes.

REPORT OF CHAPLAIN.

To the Commissioners for the County of Merrimack:

GENTLEMEN:—Since taking my position as Chaplain July 1st I have conducted religious services two Sundays each month and officiated at one funeral.

By the maintenance of public worship in an institution of this kind, the people avow their belief in the social function of religion and its necessity to the public welfare. This belief, if made efficient under normal social conditions, would tend to lessen the need of penal and charitable institutions. If our religion could be made a more efficient cooperating factor in the development of the social order, the public welfare would be more largely conserved. But as society in its evolution has not yet reached that stage, our problem is how to make the essential principles of religion more effective in the lives of the two classes with which the institution has to do.

These two classes are: first, those who have forfeited their rights in society, and second, those who through various disabilities, are unable to keep their place in society. In our appeal to these people we aim to forget that they belong to these classes, and to approach them as human beings, children of the Universal Father. It is our hope that some at least of the first mentioned class may come to themselves and once more earn their social rights. It is also our hope that some of the other class may win a faith that will make them less forlorn, and in this beautiful spot among the "Hills of Hampshire," this place which may be their last earthly home, they may be comforted with the expectation of the home "not made with hands, eternal in the heavens."

It is a pleasure to mention the sustained interest and helpfulness of Supt. and Mrs. Evans and of others who serve the institution in various capacities.

The thanks of the public are due to the ladies who have played the piano and to others of the town's people who have assisted in the musical service. Special mention should be made of the two choirs, composed respectively of boys and of girls from the schools of the town.

Respectfully,

MELVIN J. ALLEN.

SOLICITOR'S REPORT.

To the Commissioners for the County of Merrimack:

GENTLEMEN:—In accordance with Section 8, Chapter 17 of the Public Statutes, I herewith hand you my annual report covering the activities of my office from January 1, 1915, to December 31, 1915, inclusive.

At the April, 1915, Term of the Superior Court the Grand Jury returned the following list of forty indictments against thirty-six respondents:

Assault with intent to kill	3
Accessory to assault with intent to kill	1
Adultery	1
Breaking and entering	3
Breaking and entering and larceny	11
Larceny	9
Burglary	2
Receiving stolen goods	1
False pretenses	1
Murder	1
Tramp	1
Breaking and entering with intent to commit rape	1
Assault with intent to commit rape	1
Maliciously interfering with locomotive	1
Buggery	1
Rape	1
Bigamy	1

The commitments during the April, 1915, Term, were as follows:

State Prison	6
House of Correction	5
Jail	9
Insane Hospital, committed for observation	2

George Brown was committed to the State Hospital for observation and is included in the enumeration above. He escaped and has not been apprehended.

Adam Kildago was committed to the State Hospital for observation. The Superintendent of the State Hospital has reported that he is suffering from that type of insanity known as dementia praecox and further states that he is a distinctly dangerous person to be at large and should be permanently confined in that institution.

In addition to the commitments made during the April, 1915, Term the other cases in which indictments were found by the Grand Jury were disposed of by the imposition of fines and costs or by the imposition of fines, costs and jail sentences, the jail sentences to be suspended upon payment of costs or fines, or fines and costs, and in some instances when it appeared best to the Court and solicitor to do so, the cases were continued for sentence.

John Stewart pleaded guilty to an indictment charging him with murder in the first degree and he was thereupon sentenced to the State Prison for life.

Ignace Sliwa, Andrew Karmarczyk and Albert Strug, indicted for assault with intent to kill, were found guilty by the jury of aggravated assault and were all sentenced to jail. Martin Sliwa, indicted as accessory to assault with intent to kill, was found guilty by the jury as accessory to aggravated assault and was sentenced to jail.

At the October, 1915, Term of the Superior Court the Grand Jury returned the following list of twenty-five indictments against twenty-one respondents:

Obtaining money under false pretenses	3
Breaking and entering	11
Aggravated assault	1
Rape	2

Fraudulent mortgage	1
Adultery	2
Accessory to adultery	1
Non-support	1
Attempted larceny	1
Accessory to attempted larceny	1
Homicide	1

The commitments during the October, 1915, Term were as follows:

State Prison	5
House of Correction	1
Jail	1

In the other cases disposed of without trial fines or sentences of fines and imprisonment in various penal institutions were imposed, the fines and sentences, either or both, being suspended in the discretion of the Court during good behavior.

In STATE V. FRANKLIN BROWN, indicted for aggravated assault, there was a trial, the jury returning a verdict of not guilty.

In STATE V. MORRISON H. PEASLEE, indicted for homicide, after a trial lasting two weeks the jury returned a verdict of not guilty.

There are pending against the county at this time three civil suits as follows:

1. W. J. HOLMES V. MERRIMACK COUNTY, ad damnum \$100.—, suit on the common counts;

2. W. J. HOLMES V. MERRIMACK COUNTY, ad damnum \$300.—, tort;

3. F. E. HOLMES V. MERRIMACK COUNTY, ad damnum \$200.—, tort.

The above cases were entered at the October, 1915, Term and in accordance with the usual procedure and the rule of Court were continued until the April, 1916, Term.

You will recollect that you called to my attention the situation with reference to the Otis J. Starkweather family in Canterbury, the question being whether Mrs. Starkwether is a county or a town charge. I have investigated the case and have looked up the law relative to the situation, and am awaiting instructions from you relative to your desires as to what action you wish taken, my instructions at the present time being allow the matter to remain in abeyance.

In re Estate of Mary Storin, pending in our Probate Court, Merrimack County filed a claim amounting to \$533.75. This claim was disallowed by the Commissioner passing upon the claims against the estate. From this disallowance, in behalf of the county, I have appealed to the Superior Court and the appeal is now pending, ready to be disposed of in regular course at the April, 1916, Term.

There were some appeals from the municipal and justice courts of the county. These were disposed of or are in process of being disposed of.

ROBERT C. MURCHIE,

County Solicitor.
